Goldman Sachs' Organizational Structure — Recruits start as Analysts and are then promoted to Associate, Executive Director/Vice President and so on. Though the title would be Analyst on the website, look for the particulars in the job description. It would mention 'Product Manager'.

Company — Goldman Sachs

Role — Product Manager

Are you an international student? — Yes

If yes, What is your visa type? — F1 Visa

When did you begin applying — Between Feb-April

Strategy used when applying — Understand the role I was applying for — rather than quantity I was targeting on quality

Platforms used for applying to full time roles — LinkedIn , career sites

Number of rounds- 3

It consisted 3 interviews of 45 minutes with different people each time, so let's say on 1 day, I had my interview with the VP for 45 minutes then another 45 would be followed by a team member. (so the number of people was 6)

Role of the interviewer in the company — VP, Director, Team Members

Questions asked by the interviewers across various rounds—

1. Resume

2. Product questions

- Product prioritization
- Roadmap creation

Questions you asked –

I am not sure if I can give that but it was mostly product journey questions and how would I work on them, a lot of scenario-based questions to understand my approach.

Duration before the mail for the next round –

The whole process took around 2.5 months
