...

Company: Walmart, Inc

Role: Engineering Manager, Supply Chain

Are you an international student? : Yes

If yes, what is your visa type? F1-OPT

When did you begin applying: 3 months before graduating (Graduated in Aug 2023)

The strategy used when applying: Apply, apply, & apply and update resume on the way for the roles and responsibilities

Platforms used for applying to full-time roles: LinkedIn, Company Websites, Indeed

The platform through which you applied for this role: LinkedIn

Number of rounds: 4

Round 1

Role of the interviewer in the company: Recruiter

Questions asked by the interviewer:

1. Personal Introduction
2. Role Description
3. Asked me for details about my current role and some scenarios-based questions
4. Compensation Expectations, Visa Expectations, etc.

Questions you asked:

1. About the next steps

Received the decision the next week and scheduled for the week after.

Round 2 — Technical Round

Role of the interviewer in the company: General Manager, Senior Engineering Manager

Questions asked by the interviewers:

1. Personal Introduction
2. Role Description
3. Asked me for details about my current role
4. Some scenarios-based technical questions
5. Behavioral Questions

Questions you asked:

Technical Challenges faced by the team and approach towards those challenges

Received their decision on the same day.

Round 3 — Onsite Interview

Role of the interviewer in the company: General Manager, Senior Engineering Manager, Assistant GM, Team Members

Questions asked by the interviewers:

1. Introduction

2. Back-to-back rounds discussing various scenarios, future projects, skillsets, behavioral questions and a few questions situation-based asked by me to steer the discussion

3. Good-bye talks

Received their decision on the same day.

Round 4 — Final Round

Role of the interviewer in the company: Director, Divisional VP

Questions asked by the interviewers:

1. Introduction

2. Normal Conversation

3. Technical and future projects conversation

Questions asked by me:

Expectations of management for this role, about the bigger picture and impact through this role

Received their decision in 3 days.

How did you prepare for the interviews?

The more interviews I gave, my skills evolved to better align with the market and existing job conditions.
